

Flightseeing Trip

Why spend \$300 alone for a flightseeing trip when for a little bit more than that, you can spend the day in Skagway?

Take a scenic flight on Alaska Seaplanes on a land-based plane between Juneau & Skagway and keep your camera handy!

Your Cessna Caravan will take you one of two routes - over the Juneau Ice Field or over Lynn Canal on your 45 minute flight. You'll see numerous glaciers, waterfalls, mountain lakes, and even whales from your flight!

You will need a government issued, photo ID to check-in.
